

The Glen High School

December 2018

NEWSLETTER 6

We have reached the end of yet another school year which has been filled with hustle, bustle and busyness that has left us anticipating the holiday with much enthusiasm.

I would like to thank the learners of The Glen High School for their energy and passion that make our lives so interesting. Thank you for all your work and activities throughout the year.

Thank you to the teachers and support staff who work tirelessly in order to make The Glen an institution of excellence. Your unstinting sacrifices are appreciated and acknowledged with gratitude.

Thank you to the SGB for the unending support which allows us to achieve our goals and to work in an environment that encourages all to flourish.

2018 SCHOOL FEES ACCOUNTS

By the end of October all school fees for 2018 should have been paid in full, but unfortunately a massive amount to the value of **R 2,6 million** is outstanding! I am making a desperate appeal to parents to settle their overdue accounts urgently. We rely on school fees to employ staff and to cover operational expenses. The Gauteng Department of Education does not cover the shortfall we are experiencing.

RE-REGISTRATION FOR 2019

The Glen is a high pressure school with hundreds of parents hoping for a space for their children in 2019. It is therefore crucial that our current learner enrolment be confirmed so that new applications can be processed. At the moment there are **174** re-registrations outstanding. This backlog is hampering the possible placement of new learners for 2019. Parents of the 174 un-registered learners are requested to visit the school administrators urgently to avoid losing their child's placement for 2019.

2018 ACADEMIC RESULTS

The final Grade 8 – 11 academic results have shown that many of our learners have worked extremely hard and have excelled. Commitment and dedication have been displayed by the staff, learners and parents in order to attain academic success.

The final academic results for 2018 give evidence of the huge effort that has been given to curricular activities. Congratulations to all The Glen learners who achieved outstanding promotional results.

The overall pass rate for Grades 8 – 11 is 94% which is a very pleasing result. Well done to all.
