

The Glen High School

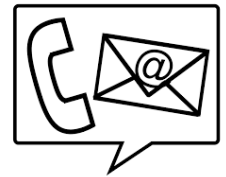

1 October 2024

Dear TGHS Parents

As we step into Term 4, we're excited to embrace the final stretch of the school year! This term will see the culmination of all our hard work and effort and ultimately allow for the final polishing of academic skills. Our learners have already achieved so much, and we look forward to celebrating their successes and hard work. Let's make this term memorable together as we continue to foster a supportive and vibrant school community!

Important Reminder: Respecting Teachers' Time Outside School Hours

We appreciate your ongoing support and collaboration in your child's education. We kindly ask that you refrain from contacting teachers after hours unless there is an emergency. Our teachers do not have business cell phones and use their personal devices to communicate, which means they also need time away from the demands of their profession.

Please understand that teachers prioritize face-to-face interactions with learners during school hours, and immediate responses to messages may not always be possible. We encourage respectful communication and appreciate your patience as teachers dedicate their time to creating a positive learning environment.

Thank you for your understanding and support!

PAYMENT DUE

Important Reminder: Support Our School by Paying Fees

I want to take a moment to address an important matter regarding school fees. Currently, our school is R2.9 million behind in collections, which significantly impacts our ability to deliver quality services and programs to our learners. This shortfall places additional strain on those families who consistently contribute to our school finances.

We understand that times can be challenging, but your support is crucial for ensuring that all learners have access to the resources they need to thrive. We encourage all parents to settle outstanding fees as soon as possible. Together, we can continue to provide a vibrant learning environment for our children.

Exciting Fundraising Opportunity: Support Our School with Sim4Schools!

We are thrilled to introduce a fantastic fundraising opportunity through **Sim4Schools**! For just R20 which includes 300MB data and R10 airtime, you can purchase a SIM card that not only offers some of the cheapest, **NEVER EXPIRING** data bundles on the market, but also allows you to migrate your current cell phone number.

By supporting Sim4Schools, you're helping our school receive a small income from each sale, as well as from airtime and data top-ups. This initiative not only benefits your family but also contributes directly to our school's resources and programs.

You can find Sim4Schools SIM cards **available at the tuckshop**. Let's come together to support this great cause while enjoying affordable mobile services!

As I wrap up this edition of our school newsletter, I want to thank everyone for their continued support and involvement in our school community. Your dedication enriches our learners' experiences and fosters a vibrant learning environment.

Kind regards,
Mrs C. W. Nel
Principal
