Dear Parents,

SUSPENSION OF TUCKSHOP FOOD SALES ON THE SCHOOL PREMISES

We are writing to inform you of an important update regarding our school's food services. The Glen High School has received a memo from Mr Rufus Mmutlana, Head of Department Education instructing all schools to immediately suspend the sale of food.

While our school currently holds a valid Certificate of Acceptability, we are in the process of re-confirming its validity with the Health Department. In compliance with the Department's directive, we must ensure the safety and well-being of our learners.

As such, we kindly ask that no lunch money be given to learners until further notice. We encourage you to prepare meals at home for your children during this period. We understand this may cause some inconvenience, and we appreciate your cooperation and understanding as we navigate these guidelines.

We will keep you updated with any further information regarding future food sales at the tuckshop. Thank you for your attention to this matter and for your ongoing support.

Warm regards,

Mrs C. Nel
Principal
